

QUALITY POLICY:

Metrology Solutions Inc. is committed to maintaining our high standard of quality. Our management system provides a framework for establishing and reviewing quality objectives. Quality at Metrology Solutions Inc. continues to be an integral strategy in all our internal and external business activities.

WE PROVIDE ACCURATE DATA:

WE: Means everyone at Metrology Solutions Inc. will meet and exceed client expectations. It is everyone's duty to assist in collecting and disseminating accurate data.

PROVIDE: Means we provide the CMM programming, inspection and training our clients truly need at a fair price.

ACCURATE: Means our Quality System permeates all of our duties, not just the accuracy of our equipment.

DATA: Means understandable, meaningful information in the correct format.
